

# Green Travel Plan

At Freedom Leisure we are actively working towards reducing our carbon footprint and taking steps to reduce the environmental impact whilst promoting a healthier, and sustainable environment for all.

Our objectives don't stop at our front door and we need you to help us to contribute to a greener community.

We are committed to increasing awareness and working alongside our customers to adopt more sustainable habits and this includes promoting sustainable travel options and reducing the environmental impact of commuting.

Below are a few ideas about how you might travel to the Corinium Museum. Think about some of these sustainable options that might work for you.

## WALK OR CYCLE

**Walking routes:** Safe and scenic walking paths are available from the Market Square, through the Abbey Grounds, and from the Old Station and Sheep Street car parks.

**Cycling:** There are cycle racks in The Forum, the Leisure Centre, Beeches and the Old Station car parks. There are cycle lanes along Tetbury Road and through the Abbey Grounds, making getting to the Corinium Museum safer for you.

## PUBLIC TRANSPORT

**Bus routes:** There are several bus stops in Cirencester town centre near to the Corinium Museum, with bus services available from the surrounding areas and towns. Town centre bus stops are found on routes 50, 51 and 882. For more information, please visit [www.stagecoachbus.com/timetables](http://www.stagecoachbus.com/timetables)

**Train Services:** The nearest train station is Kemble, a 10-minute taxi ride away or take the 882 bus. Check train times at [www.gwr.com](http://www.gwr.com).

## CAR SHARING & ELECTRIC VEHICLES

**Car Sharing:** Love your car! Why not introduce your friend to the museum while sharing both the journey and the fuel cost.

**EV Charging:** Charging stations are available in Beeches car park.

Be part of the Green Travel Movement, benefitting from improved fit

Thank you for helping us  
create a Green Future!
